Consider a resolution authorizing the Mayor to execute an Agreement with Ace Floor Solutions, LLC for the purchase of carpet and tile flooring, refinishing, polishing, grinding and staining services.

This agreement is to establish a contract with Ace Floor Solutions for the purchase of Carpet & Tile Flooring needed to support our General Services Department and the City of Round Rock in accordance with the Buyboard Cooperative Contract No. 561-18. The cost of $240,000 for this agreement was based off off worst case scenarios in case the City had any major damages to a building. This contract is a goods and service contract in which the city will not spend any money on the goods and services if they're not needed.

Cost: $240,000.00 (for the two year agreement)
