Consider a resolution authorizing the Mayor to execute a Public Highway At-Grade Crossing Agreement with Union Pacific Railroad Company for construction of a new at grade public road crossing for Harrell Parkway.

This agreement is between Union Pacific Railroad Company (UPRR) and the City of Round Rock for a new at grade public crossing over Harrell Parkway at mile post 158.47, as part of the Kalahari development and the quiet zone project. This agreement will give the Political Body (City of Round Rock) the right to construct, maintain and repair the roadway over and across the Crossing Area. This agreement will cost $111,800.00 to UPRR.

This agreement is a portion of an overall agreement with UPRR, in combination with similar improvements to the existing crossing at the Brushy Creek Plant Road.

Cost: $111,800.00
Source of Funds: RR Transportation and Economic Development Corporation. (Type B)
