Consider a presentation and annual update for the Round Rock 2030 Comprehensive Plan.

Round Rock 2030, adopted June 25, 2020, is the official policy document guiding long-range planning in the City of Round Rock for the next ten years. This report serves as the annual update on this year’s progress on the implementation of Round Rock 2030’s vision and policies for fiscal year 2022 (October 1, 2021 - September 30, 2022).

Planning and Development Services (PDS) staff tracks progress towards implementation related to each of the twelve *Round Rock 2030* policies. Implementation of *Round Rock 2030* is complementary to the City’s *Strategic Plan*. Throughout this report, instances where implementation progress relates to the Strategic Plan are noted.
