Consider a resolution amending "Appendix A: Fees, Rates and Charges" to the Code of Ordinances, relating to Parks and Recreation Fees.

This revision to the Parks and Recreation fees proposes a marginal increase to the admission fees and season pass fees for Rock'N River Water Park and Micki Krebsbach Pool. This fee increase will offset the majority of the increased expenses related to the seasonal pay increase for our seasonal aquatics team while still remaining affordable for citizens to enjoy the pools.

A \$2 increase is proposed to the daily admission fee at Rock'N River which will result in daily admission fees of \$12 for youth & seniors and \$14 for adults. Additionally, a \$5 increase is proposed for individual season passes and a \$10 increase for a family season pass. This will result in season pass fees of \$65 for youth & seniors, \$75 for adults, and \$235 for family (4 people).

A \$1 increase is proposed to the daily admission fee at Micki Krebsbach Pool which will result in daily admission fees of \$4 for youth & seniors and \$5 for adults.

No fee increase is proposed to Lake Creek Pool to maintain a very affordable option for the community to enjoy an aquatic facility.
