Consider a resolution determining that Competitive Sealed Proposal is the delivery method which provides the best value for the relocation of the Stagecoach Inn.

Texas Local Government Code, Chapter 2269 allows governmental entities to use certain methods other than competitive bidding in entering into a contract. The City of Round Rock is considering using "Competitive Sealed Proposal" as the delivery method for the relocation of the historic Stagecoach Inn from its current site in the path of the RM620 road realignment project to its new location at the Bathing Beach Park.

The relocation project, managed by the firm Architexas per the contract approved by Council in July, consists of 1) Building and site preparation at the existing site in advance of move; 2) New site preparation and relocation of historic building; 3) Stabilization of historic building at new site and mothballing of the structure for future restoration.
