Consider a resolution authorizing the Mayor to execute a Contract with AgH2O Holdings, LLC for the Meadow Lake Dock Improvement Project

This item includes allows the city to enter into an Agreement with AgH2O Holdings for the construction of a dock at Meadow Lake Park. The dock is a hinged dock which will allow the dock to raise and lower with the changing water levels at Meadow Lake Park. The structure includes a covered structure with a fishing well in the center, as well as a platform area outside of the shade canopy to allow for broader casting and deeper water. It will also include a canoe launch platform to provide easy access to the water.

**Cost:** \$299,910.00
