Consider a resolution authorizing the Mayor to execute an Interlocal Agreement with the City of Georgetown for use of the City of Round Rock's public rights-of-way for the distribution of electrical power.

On June 8, 2006, a franchise agreement with Georgetown Electric Company was adopted by Resolution R-06-06-08-10E2 with an expiration date of April 30, 2016.

The existing franchise agreement has since expired and needs to be approved with a retroactive clause because the City has continued to collect the fee. The new agreement will extend the agreement further another ten (10) years, expiring in 2033.
