Consider a resolution authorizing the Mayor to execute a Contract with Central Road and Utility, Ltd. for the Old Settlers Park Improvement Project - Phase 2.

This project includes rehabilitation and expansion of the existing Lakeside Trail at Old Settlers Park. It also addresses several ADA concerns throughout the park, specifically high use areas around the park pavilions. Drainage issues along the Creekside Loop trail and the parking lot adjacent to Salt Lick will also be addressed during this project. Additionally, this project will include ADA and parking improvements at Lake Creek Park, as well as a trail extension and road realignment. Currently, the park road near Lake Creek Pole makes an uncomfortable jog around electrical poles. As part of this project, Oncor will be consolidating their poles allowing for a more direct route and safer driving alignment.

Cost: \$621,688.50

Source of Funds: 2014 GO Bonds

Staff recommends approval
