Consider a resolution authorizing approval of a Claim for Payment of Moving Expenses for the relocation of a dental office needed for the RM 620 project.

The City purchased the Commons office park where Dr. Montreuil had a dentist office that was approved for relocation. The Uniform Relocation act allows for searching expenses to be recovered as a result of this displacement, and the requested amount is supported by the rules and recommended by the relocation consultant for payment. The City has agreed with TxDoT to be responsible for the first \$75K of relocation expense claims from this particular tenant. This is the second expense claim to be submitted, the first was for \$2,500.

Cost: \$68,858.94
