Consider a resolution authorizing the Mayor to execute an Agreement with GT Distributors, Inc. for the purchase of public safety equipment.

This is a blanket agreement with GT Distributors, Inc. for various police, fire and rescue equipment carried by public safety officers. This allows us to secure pricing for the term of the agreement without being committed for a specific amount. The equipment purchased under the agreement is for law enforcement and fire department tools and safety equipment replacement.

Cost: Not to exceed \$225,000.00
