Consider a resolution authorizing the Mayor to execute an Agreement with Fastenal Company for the purchase of industrial supplies.

The Utilities & Environmental Services Department requires personal protective equipment and hand tools for daily operations. Per State of Texas purchasing laws, a contract is required for funding to support City operations.

This contract was established through a competitive bidding process. The Purchasing Department selected Fastenal Company as the vendor to provide these services. This is a four-year contract with Fastenal Company not-to-exceed \$140,000 (\$35,000 per year).

Cost: \$140,000
