Consider a resolution authorizing the City Manager to issue a Purchase Order to Lenco Armored Vehicles for the purchase of a Lenco BearCat Armored vehicle.

This purchase would replace the current armored vehicle that the Police Department acquired using grant funds ten years ago and purchase a BearCat model armored vehicle. The total cost of this purchase is being offset by the \$75,389 trade in value of the BEAR armored vehicle to Lenco, making the total cost \$229,337.

Cost: \$229,337.00
