Consider a resolution authorizing the City Manager to issue a Purchase Order to Associated Supply Company for the purchase of an enclosed cab telehandler.

With this purchase order General Services will establish a one-time purchase with Associated Supply Company, Inc. for an enclosed cab telehandler needed to support City Operations. This will replace asset 190073 which is a 1993 Skid Steer. This Skid Steer is worn out and cannot function in the manner it is needed. The Telehandler will be more appropriate and safer piece of equipment.

Cost: \$110,500.00
