Consider a resolution authorizing the Mayor to execute an Agreement with West Publishing Corporation for the purchase of computer assisted legal and investigative research software.

The proposed contract is another three-year renewal of an existing agreement with West Publishing for the CLEAR data service used by Police Department personnel for investigative purposes. The agreement provides for a flat, per-month usage charge of just over \$1,520 for Department users, as well as an annual 3 percent increase in that monthly rate. Over the term of the contract, the vendor will receive just over \$56,391 for this service.

Cost: \$56,391.36
