Consider a resolution authorizing the Mayor to execute an Agreement with Brightly Software Inc. for the purchase of asset tagging software.

This resolution is to utilize the Omnia Cooperative Purchasing Program's contract (#2210702) to enter into a 5-year software agreement with Brightly Software Inc. Brightly Software is our current provider for work orders, asset tagging/tracking, and asset predictor. This software allows employees to submit maintenance tickets into facilities as well as track out assets and help predict lifecycle replacements and costs.

***Cost: $215,403.00***
***Source of Funds: General & Utility Funds***
