Consider a resolution authorizing the Mayor to execute a Merchant EZ Application agreeing to the terms of the Merchant Services Agreement with Moneris Solutions for depository and banking services for PARD programs and to execute Amendment No. 1 to the Merchant Services Agreement.

The Parks and Recreation Department requires the use of Moneris, a merchant service provider, to process payments through the PerfectMind recreation software system. Moneris will deliver processing capabilities through point of sale hardware, credit card and debit card payment processing.

Staff recommends approval.
