Consider a resolution authorizing the Mayor to execute Supplemental Contract No. 1 with Terracon Consultants for On-Call Geotechnical Services Work Authorization.

This contract is to perform miscellaneous Geotechnical Engineering tasks on an “as needed” basis for immediate tasks deemed necessary by the CORR Staff, including but not limited to, geotechnical test borings, geotechnical field testing, geotechnical laboratory testing, geotechnical engineering reports, pavement thickness recommendations, review of geotechnical reports for conformance with CORR standards, slope stability analyses, subgrade treatment / stabilization recommendations, geotechnical retaining wall recommendations, review of plans and specifications, pavement condition surveys, review of material submittals, and consulting with the CORR staff on an as-needed basis. This work authorization contract supplement is for an additional period of time ending December 31, 2017 and not to exceed a total of \$75,000.00.

Staff recommends approval.
