Consider a resolution authorizing the Mayor to execute Supplemental No. 1 to a Consulting Services Agreement with Karl Kietzke for building consulting services for construction projects.

Karl's original scope of work included Fire station #3 assessment, The Black Box Theater conception analysis, and the Fire Ball Grill. Karl's scope of work changed to include OSP Multipurpose fields when this project was moved to Building Construction Division. Karl's work hours on OSP has been extremely helpful in solving and avoiding problem so that the project continues to move forward. Karl's number one focus is to ensure the City of Round Rock is receiving the best value and highest quality of construction.
