Consider a resolution authorizing the Mayor to execute a "Small Municipal and County Government Enterprise License Agreement" with Environmental Systems Research Institute, Inc. (ESRI).

This is a 3 year Enterprise Software License Agreement with ESRI for Geographic Information Systems (GIS) software and support. This agreement provides unlimited use of software, tier 1 support, conference registrations, and on-line training. This software is critical for the City's online and offline mapping needs, as well as the TRAKiT permitting and project tracking system, OSSI computer aided dispatch, and the Cityworks asset management and work order system.

Cost: \$229,500

Source of Funds: General Fund - IT Software Maintenance Line Item
