File #: 2018-5289, **Version:** 1

Consider a resolution authorizing the Mayor to execute an Agreement with Musco Lighting, LLC for the purchase and installation of field lighting at Clay Madsen Recreation Center.

With the conversion of Luther Peterson Park to the new Public Works building, the City will lose five soccer fields. In order to continue to support league play, it will be necessary to replace a minimum of two fields in this location. The Clay Madsen Soccer Field Project will develop the vacant land next to the Clay Madsen Recreation Center and provide two full-size soccer fields and additional parking. Lighting these fields will extend the amount of time they can be used. This project will include installing a complete LED lighting system at one field, as well as installing all infrastructure necessary to light the second field in the future. Overall, the City and PARD have worked toward installing only LED lights as they require much less energy to operate.

Cost: \$173,000.00

Source of Funds: 50% General Self-Financed Construction and 50% Self-Financed Water Construction
