Consider a resolution authorizing the City of Round Rock's participation in the Central Texas Clean Air Coalition's 2019-2033 Austin-Round Rock MSA Regional Air Quality Plan.

The City is a member of the Clean Air Coalition. The agency staff support is from CAPCOG. Every five years, the Regional Air Quality Plan is updated, with the input of the Clean Air Coalition Advisory Committee. The plan is the standard guiding tool for CAPCOG staff's activities, provides suggestions on measures each entity can implement to help reduce air pollution, and outlines the yearly reporting commitment of participating entities.
