File #: 2019-0013, **Version:** 1

Consider a resolution authorizing the City Manager to issue a Purchase Order to Technology for Education for new conduit placement for Fire Station No. 3.

Austin Structured Cabling will be installing one 2" directional bored buried conduit along Sundance Parkway and Parker Drive between Fire Station No. 3 and Petco utility right-of-way. This conduit will be installed for the purpose of providing a communication pathway for future connection to the existing City of Round Rock fiber optic infrastructure.

Cost: \$63,330.00

Source of Funds: 2017 General Obligation Bonds
