Consider a resolution authorizing the Mayor to execute an Advance Funding Agreement with the Texas Department of Transportation for the SH 45 Frontage Road from Donnell Drive to SH 130 Project.

This request is for the City to enter into an Advance Funding Agreement (AFA) with the Texas Department of Transportation (TxDOT).

The City is requesting that the State allow the Local Government to participate in a state highway improvement project by providing funding for frontage road improvements along the SH 45 Element of the CTTS between Donnell Drive and SH 130 that will connect to the existing frontage roads ("Improvements"), including funding for the costs of preparing a report ("Project") reflecting any revenue impact of the state highway improvement project on the CTTS. This work is a step in the overall goal of constructing the frontage roads missing between Donnell Dr. and Heatherwilde. This cost will be shared equally between the City of Round Rock and the City of Pflugerville by separate ILA.

Cost: \$61,478.00

Source of Funds: RR Transportation and Economic Development Corporation (Type B)
