---

Consider a resolution authorizing the Mayor to execute a Possession and Use Agreement with Richard G. Nord and Joy Nord for a 1.41-acre proposed right-of-way parcel for construction of Kenney Fort Boulevard, a 0.452-acre proposed wastewater easement parcel, and 0.380-acre temporary construction workspace easement parcel for construction of extensions to the Gattis School Road wastewater line. (Parcel 14).

The PUA compensation amount is equal to 90% of the City's appraised value for these acquisitions, which is within a typical range for this type of agreement.

**Cost: \$168,200.00**

**Source of Funds: Self-financed Wastewater Construction and RR Transportation and Economic Development Corporation (Type B)**
