File #: 2019-0110, **Version:** 1

Consider a resolution authorizing the City Manager to issue a Purchase Order to Precision Pump Systems for the purchase of two (2) pumps at the Brushy Creek Regional Wastewater Treatment Plant.

There are currently six pumps located in the influent lift station at the Brushy Creek East Regional Wastewater Treatment Plant. Of these six pumps, three of them contain 400 horsepower motors. Of these three large pumps, two require immediate replacement. This Purchase Order is to purchase these two pumps and the lead time on these pumps is expected to be 20 weeks. The Operating Committee of the BCRWWTP has approved moving forward with this purchase.

Cost: \$241,800

Source of Funds: Utility Fund
