---

Consider a resolution authorizing the Mayor to execute a Contract with Pioneer Manufacturing Company for the purchase of irrigation parts and ground maintenance equipment and supplies.

Pioneer Manufacturing Company will provide athletic field paint, supplies and equipment, per their Buy Board contract, to the City (specifically SM&T and PARD).

Establishment of this contract will allow the City to order and pay invoices off of a single annual PO, rather than issuing a new PO for each individual order.

**Cost: \$90,000**

**Source of Funds: General Fund and Hotel Occupancy Tax Fund**
