Consider an ordinance amending Chapter 42, Section 42-319, Code of Ordinances (2018 Edition), regarding two-hour parking. (Second Reading)

This item will modify the two-hour parking ordinance to include the downtown mixed use areas. The modified ordinance states that parking restrictions would not be applicable or enforceable until signs are posted giving notice. This item will allow the Transportation Department to respond in a timely and efficient fashion when conditions warrant time-limited parking in the downtown area due to redevelopment, changes in use, or to manage parking efficiency.
