Consider a resolution authorizing the Mayor to execute an Exchange Deed to exchange property between the City of Round Rock and Cressman Enterprises, LP in connection to the Kenney Fort Boulevard Right-of-Way Project.

The right-of-way (ROW) shifted to allow Meritage (builder of Homestead at Old Settlers Park neighborhood) to dedicate more parkland adjacent to (Old Settlers Park) OSP, instead of having the ROW split their required parkland dedication. It was requested by PARD and carried forward to the developer by PDS and Transportation.
