Consider a resolution authorizing the Mayor to execute a Contract with WLE, LLC for the Old Settlers Park in a Park Irrigation Project.

Competitive sealed bids were received on September 15th for the Old Settlers Park in a Park Irrigation Project and WLE, LLC was found to be the low bidder. This contract will include all labor, equipment, and materials necessary to install a new irrigation system associated with the Old Settlers Park in a Park Construction Project.

The vision of Park in a Park (Yonder's Point) is to create a lush, intimate space for reflection and passive recreation, distinct from the mostly active recreation currently offered by Old Settlers Park.
