Consider a resolution authorizing the City Manager to issue a Purchase Order to Better Trees of Texas for the purchase of trees for Old Settlers Park.

This item will authorize a purchase order to be issued to Better Trees of Texas for the purchase of trees for Old Settlers Park. A total of 67 trees will be planted in and around Yonders Point at three locations: the plaza, start/finish area, and along the trail and lake.

The vision of Park in a Park is to create a beautiful space for reflection and passive recreation, distinct from the mostly active recreation currently offered by Old Settlers Park. It will also serve as a backdrop for high-profile events such as the University Interscholastic League (UIL) State Cross Country Meet. This project will include aesthetic upgrades to the start/finish line which will increase spectator's experience at these events.

The Park in a Park project will serve as an example and catalyst for future projects intended to elevate and diversify the recreation provided by the parks system.

Cost: \$111,229.00
