Consider a resolution authorizing the City Manager to issue a Purchase Order to Chastang Enterprises, Inc. for the purchase of City vehicles.

With this purchase order General Services will establish a one-time purchase with Chastang Bayou City Ford DBA Chastang Enterprises, Inc. for Ford trucks needed to support City operations in General Services, PARD, transportation, drainage and Utilities. General Services will purchase Three (3) F450's, Two (2) F350 and two (2) F250 trucks. All the vehicles being replaced have well over 100,000 miles of use and range from 2006 to 2014 model years.

This contract was established through a competitively solicited cooperative process.

Cost: \$554,735.00

Source of Funds: Drainage Fund, Utility Fund, and General Fund
