Consider a resolution authorizing the City Manager to issue a Purchase Order to Siddons-Martin Emergency Group for the purchase of a BME Mini Pumper Fire Apparatus.

This request is for the purchase of a mini pumper. The mini pumper will be used as the primary response vehicle for the new squad program. This vehicle has the capabilities to be used at a structure fire, but its primary function is to respond to medical calls. Staffed with (2) two people daily, (1) one of which will be a Paramedic, will allow this unit to consistently provide advanced life support procedures when needed.

Cost: \$329,875

Source of Funds: General Self-Financed Construction
