File #: 2022-323, **Version:** 1

Consider a resolution authorizing the Mayor to execute a Contract with Austin Underground, Inc. for the Lake Creek Wastewater Line Replacement Project.

The Lake Creek Wastewater Line Replacement Project continues the City's efforts to provide adequate wastewater service capacity to the developing Southwest area of Round Rock. The project consists of replacing approximately 5,500 linear feet of 15-inch wastewater line with a 24- inch wastewater line along Lake Creek beginning at Round Rock West Drive and extending eastward to south of McNeil Road.

On September 13, 2022, the department received five bids for the Lake Creek Wastewater Line Replacement project. The department recommends awarding a construction contract with low bidder Austin Underground, Inc. for \$3,591,170.

Cost: \$3,591,170

Source of Funds: Self-Financed Wastewater Construction
