Consider the appointment of a primary member and alternate member to the CAMPO Technical Advisory Committee.

The CAMPO Technical Advisory Committee (TAC) serves as an advisory group to the Transportation Policy Board (TPB). The TPB relies on the TAC to review technical information provided by CAMPO staff or other relevant organizations to support the development of the long-range plan, the 10-year program of projects required by HB20, and the Transportation Improvement Program.

Each member jurisdiction of the TPB appoints a TAC member and alternate members that have the knowledge, experience, and responsibility to represent them. Guidelines for appointments are attached. The City of Round Rock's current representatives are Gary Hudder, Transportation Director and Gerald Pohlmeyer, Transportation CIP Program Manager. Their current terms end January 31, 2022 and appointments for the new term must be done and sent to CAMPO by December 17, 2021.
